Curriculum Progression of the Knowledge Essentials

RE Curriculum

Knowledge Rich Curriculum

Knowledge has driven the philosophy in developing the Religious Education curriculum. The knowledge essentials specify what children should know in as much detail as possible and content sequenced such that there is a coherent flow. This ensures ideas build on secure foundations, staged towards challenging goals. Careful sequencing ensures that elements are regularly returned to, supporting pupils to accumulate knowledge over time, feeding previous topics into current topics supported by Practice and Retrieval strategies.

In designing the curriculum, we have considered a broad range of knowledge forms with a focus on being able to articulate substantive and disciplinary knowledge:

- Substantive knowledge** sets out the content that is to be learned. It is the knowledge about religious and non-religious traditions. It includes: the different ways people express their beliefs; the artefacts and rituals associated with religious and non-religious traditions; and concepts which relate to religious and non-religious traditions.
- Disciplinary knowledge** is best described as the action taken within a particular subject to gain knowledge: the scholarship of RE. Pupils will be taught how to understand how the substantive knowledge came to be, how to interpret the accuracy and validity of claims being made, the differences between conceptions and misconceptions, and the types of methods used in enquiries, including the suitability of these methods.

The Religious Education curriculum reflects careful thinking as to what is to be taught, the rationale for it, the sequencing of learning and the relationships between the forms of knowledge. As a result, pupils know more, remember more and can do more.

How do mosque buildings express Islamic beliefs and values? What makes a fine mosque?

Daily Review

Highlight the correct meaning of the word sacred:

- embodying the law or doctrine of a religion
- regarded with great respect and reverence by a particular religion, group, or individual
- religious rather than secular

Match the place of worship to the correct religion. You may draw more than one line to each one.

Questions about mosques and Islam

- What do Muslims believe about pictures of humans?
- Instead of these what do Muslims use to decorate or make their mosques look beautiful?
- When and where were the first 2 mosques built in the UK?
- How many Mosques are there in the UK now?
- How many churches are there in the UK now?
- How many people in the UK do mosques serve?

① They do not have pictures of any humans in mosques. They would never have a picture of prophet Mohammed. They think pictures are misleading.

② They design the mosque shapes and

carefully think about the pattern.

③ The first 2 mosques were built in 1889 in Liverpool and Woking.

④ There are 1750 Mosques in the UK currently.

⑤ There are 30,000 churches in the UK currently.

⑥ 2.7% of people use mosques in the UK. This is 1 in 20 people and about 1/5 of the population.

Why does Britain have more than 1750 mosques in the United Kingdom?

1. Every religion has a holy building of its own, and Muslims like to build their own buildings to worship Allah.	Muslim people have moved to Britain from all over the world in the last 50 years. They have opened mosques to keep their communities strong.	The Prophet Muhammad built mosques wherever he went, so Muslim followers today do the same. It is about following the Prophet's example.
2. There are thousands of British Muslims born and bred in this country. They give generously to help the poor, and also to build local mosques.	3. If you are a small or minority community, religion is a way of 'sticking together' and a mosque matters as a focus for this.	4. The Prophet said "Whoever builds a mosque for Allah - though it be the size of the ground next to a sandgrouse - Allah will build for him a house in Paradise."
5. Praying together is easier than praying on your own.	6. Any community likes to have a place to meet and share their life. A mosque is for the whole Ummah to share.	7. The mosque is a symbol of Muslim identity and belonging.

Which give the best explanation of the reasons for the number of Mosques in our country? Rank them in order.

I think that number 2 is the most important because over time more Muslims live in the UK and Christians and other religions have their special places so Muslims need theirs. Also their are not as many Muslims

as Christians so they need to stick together as a community.

I think number 7 is the least important because it is not about praying. Also you could pray together on a call or go to each others houses if you want to be together.

Which idea is best?

- "A mosque should be beautiful because it is for a beautiful activity: praying to the Creator of beauty is easier in the beautiful surroundings."
- "Mosques are not an alternative to giving money for the poor: Muslims do both because worshipping Allah and helping the needy are both really important."
- "God hears your prayer anywhere. No special place is needed to pray. A clean heart, a clean body and a clean prayer mat are all you need. So Muslims today should spend less on mosques and more on feeding the poor."
- Prophet Muhammad (PBUH) said that whoever builds a mosque on earth, God will build them a house in Paradise, so it is a good way to prepare for life after death."

Explain your answer in detail.

I think number 2 is the best because Muslims need it good for them so they can all come together as a community. You can use it as a sacred place and do charitable things in the mosque. Their could be a foodbank in the mosque. It can offer support for lots of things. Do half and half so they can be good and helpful for everyone.

Pupils know that Christians believe that Jesus is God. They know the birth narrative i.e. The Angel appeared to Mary, Mary and Joseph travelled to Bethlehem where Jesus was born as a baby and he was placed in a manger. Angels appeared to the shepherds. The wise men brought gifts. The Bible points out that his birth showed that he was extraordinary (e.g. he is worshipped as a king in Matthew) and that he came to bring good news (e.g. to the poor in Luke) Pupils use the term incarnation. They can talk about examples of how this theme has been explore in art and music (including hymns) by Christians. 		<p>What is the trinity?</p> <ul style="list-style-type: none"> The Father creates; he sends the Son who saves his people; and the Holy Spirit on his people. Christians believe the Holy Spirit is God's power at work in the world and in their lives today, enabling them to follow Jesus. Pupils know that Christians often try to describe God using symbols, similes, and metaphors, in song, story, poems and art and have created art to help to express this belief. Pupils know the story of Jesus Baptism (Matthew 3; 11-17) including that Jesus was baptised by John the Baptist that a voice came from above and the dove appeared. They know the symbolism this suggests. Pupils can describe a Christian Baptism (child and adult) including the terminology of 'in the name of the father, the son and the Holy spirit'. 		<p>Was Jesus the messiah?</p> <ul style="list-style-type: none"> Pupils know that Jesus was Jewish. They understand that 'Christ' is the Greek word for 'anointed one', or 'Messiah'. And that the Old Testament talks about a 'rescuer' or 'anointed one' – a Messiah. That Isaiah 9 v2-7 texts talks about what this 'Messiah' would be like. Pupils know that most Christians believe Jesus is God incarnate and they believe that his birth, life, death and resurrection were part of a longer plan by God to restore the relationship between humans and God. Pupils understand that Christians believe that Jesus fulfilled these expectations, and that he is the Messiah. (Jewish people do not think Jesus is the Messiah.) That Christians see Jesus as their Saviour (See Salvation). They can give their own view to answer the questions 'Was Jesus the Messiah?' supported by a reasoned argument.

The church grows from here. Pupils know the symbols used for the Holy spirit that is; Wind/Fire/Dove/Water/ Comforter and they can identify them as used in art. Pupils know the that Christians consider the church to be the 'Body of Christ' and that one body has many parts. They can explain what this means Pupils know the term 'Fruits of the spirit' and how Christians believe that these are the qualities they should develop with the help of the Holy Spirit. 	<p>What does it mean if God is holy and loving?</p> <ul style="list-style-type: none"> Pupils know that Christians believe God is omnipotent, omniscient and eternal. They know that there are different types of text in the Bible and can give examples of psalms, letters and prophecy. Pupil know that Christians believe God is holy and loving but that he is also angered by sin and injustice. That not all Christians agree about what God is like but that all try and follow his teachings as they understand it. They can explain that this is why Christians can respond differently both in reaction to social injustice but also in styles of worship and church building. Pupils can give an example of how biblical ideas about holiness love or forgiveness have made a difference in the world for example Coventry Cathedral. <p>How can following God bring freedom and justice?</p> <ul style="list-style-type: none"> Pupils will know that most Christians believe that God rescued his people from slavery in Egypt and that this story looks forward to Jesus death and resurrection that rescued people from the slavery of sin. Pupils know the outline story of Moses and the exodus (select detail) and they can show how these relate to the concepts of freedom justice and salvation. Pupils know that most Christians believe the 10 commandments (and the Torah) were given to Moses to guide people in how to live in the way wanted them to live as part of the covenant. Pupils know that most Christians believe that Jesus brings a new covenant with his people showing them how to live through his teachings. They can relate this to the 5 Marks of Mission in the Anglican Church. Pupils know that the story of the exodus has inspired Christians to work for justice and freedom and they can give at least one detailed example of a charity that does this today. They are aware that other people fight for justice and freedom too. 	<p>What kind of king is Jesus?</p> <ul style="list-style-type: none"> Pupils know that Jesus told many parables about the Kingdom of God and they can describe at least one in detail (the feast, the tenants in the vineyard, the unforgiving servant). Pupils know that many Christians try to extend the kingdom of God by challenging unjust social practice and by practising forgiveness. (Luke 24). They can describe these appearances; to the women at the Tomb, The road to Emmaus and to the disciples on the beach. Pupils know that most Christians believe that Jesus resurrection means that death isn't the end and that they have hope in a new life with God in heaven. Pupils can explain how this is reflected in Christian worship in both modern and traditional songs. They can describe a number (add specifics) of Good Friday and Easter Sunday celebrations across a range of denominational settings.
