

Ackworth Howard C of E School

Educating for 'life in all its fullness.'

**Art and Design
Curriculum – Essential Knowledge**

Intent

At Ackworth Howard J&I School, we believe in nurturing the Arts and aspire to cultivate the gifts and talents of every child. We aim to develop: the mind (creativity, imagination, resourcefulness, innovation and enterprise); body (consideration of others, risk taking); and spirit (understanding of the impact on the wider world and culture, wealth and well-being of the nation) of each child.

Mind

Art at our school is an inspiring and practical subject that engages, inspires and challenges learners, equipping them with the knowledge and skills in order to experiment, invent, critically evaluate and be creative for themselves and for an audience. Learners build curiosity and excitement through rich first hand experiences and visits.

Body

Learners collaboration skills are developed through their art work. Children work practically through exploration, and by responding to inspiration from the life and works of artists, designers and architects. The unique talents of every child are embraced.

Spirit

We nurture the aspirations and hopes of our children so they can achieve highly. The children will express their own emotions and feelings through their own personal style. They will have a greater understanding of local artists and those in the wider world and through different times in history, developing an awareness of the contribution to the culture, creativity and wealth of the nation.

Early Years Art and Design

Statutory Guidance from the EYFS Framework for Expressive Arts and Design

The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.

Ackworth Howard's Knowledge Essentials

Expressive Arts and Design: Creating with Materials (Painting and Printing)

Nursery

- I can use pre-made paints and are able to name colours
- I can hold a paintbrush in the palm of my hand
- I can print with large blocks and larger sponges

- I can explore different materials, using all my senses to investigate them.
- I can manipulate and play with different materials.
- I can mix primary colours to appropriate consistency
- I enjoy using hands, feet and fingers to paint
- I can print with large blocks and larger sponges

- I can make simple models which express my ideas.
- I am beginning to mix primary colours to make secondary colours
- I can use thick brushes
- I can print with small blocks, small sponges, fruit, shapes and other resources

Reception

- I am able to mix primary colours to make secondary colours.
- I can use thick brushes.
- I can use thin brushes to add detail.
- I can print with small blocks, small sponges, fruit, shapes and other resources.

- I can add white or black paint to alter tint or shade.
- I can hold a paintbrush using a tripod grip.
- I can create patterns or meaningful pictures when printing.

- I can colour match to a specific colour or shade.
- I can independently select additional tools (Stamps, rollers etc) to improve my work.
- I can create patterns or meaningful pictures when printing.

Expressive Arts and Design: Creating with Materials (Drawing)

Nursery

- I can make marks.
- I can draw circles and lines.
- I am beginning to draw things that I observe
- I can explore different materials, using all my senses to investigate them.
- I can manipulate and play with different materials.
- I can draw faces with features and draw enclosed spaces, giving meaning
- I am able to draw things that I observe
- I can make simple models which express my ideas.
- I can draw potato people (no neck or body)
- I am beginning to draw simple things from memory

Expressive Arts and Design: Creating with Materials (Collage)

Nursery

- I can use glue sticks with support
- My product is all one texture
- I can explore different materials, using all my senses to investigate them.
- I can manipulate and play with different materials.
- I can use glue spatulas with support
- My product is all one texture
- I can make simple models which express my ideas.
- I can use glue sticks and glue spatulas independently
- I adds other materials to develop my models (tissue paper, glitter...)
- I can describe textures as smooth or bumpy
- I am beginning to weave (gross motor)

Ackworth Howard’s Knowledge Essentials

Early Learning Goals

Creating with Materials

Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.

Share their creations, explaining the process they have used.

Make use of props and materials when role playing characters in narratives and stories.

Early Years Art and Design

Possible Activities

Drawing

- Experiment with a range of tools and name them.
- Draw from observation, memory and imagination.
- Draw on large and small scale.
- Draw upright and flat.
- Draw in sand, chalk and on the playground.
- Use pencils, felt tip pens, chalk, crayons and pastels.

Painting

- Explore with different types of paint – ready mix, powder, finger and watercolours.
- Use a range of applicators.
- Mix sawdust, sand, washing up liquids and pastes into paint to change its consistency and texture.
- Paint on different surfaces of sizes, shapes and colours of paper.
- Name and recognise the colours red, yellow, blue, green, orange and purple.
- Paint objects, and places from observation.
- Paint from memory and imagination.

Sculpture

- Use a range of junk, found and natural materials to make models.
- Use glue, sticky tape and other fastenings.
- Identify and talk about sculpture in the environment.
- Use rolled up paper, art straws and pipe cleaners.

Printing

- Create finger and handprints
- Explore printing with found objects – sponges, cotton buds, building bricks, corks and fruit and vegetables.
- Print sequential patterns
- Use stencils to create patterns
- Print on paper and on fabric.

Collage/Textiles

- Sort threads and fabrics and talk about colour and texture.
- Identify and talk about clothes and textiles in the environment.
- Make pictures and collages using villeville and other fabrics.
- Thread and weave into garden netting, fencing and mesh.
- Print onto fabrics.

<p>Pupils should be taught to develop their techniques, including their control and their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design.</p> <p>Pupils should be taught:</p> <ul style="list-style-type: none"> ▪to create sketch books to record their observations and use them to review and revisit ideas . ▪to improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (e.g. pencil, charcoal, paint, clay) ▪about great artists, architects and designers in history. 	<p><u>Painting</u></p> <ul style="list-style-type: none"> • Understand that we can create imagery using natural pigments and light. • Understand that paint acts differently on different surfaces. • Continue to develop colour mixing skills. • Explore painting over different surfaces, e.g. cloth, and transfer drawing mark making skills into thread, using stitch to draw over the painted fabric. • Explore creating pigments from materials around you (earth, vegetation). Use them to create an image which relates to the environment the materials were found in. <p><u>Collage</u></p> <ul style="list-style-type: none"> • Understand that we can combine collage with other disciplines such as drawing, printmaking and making. • Cut shapes from paper (free hand) and use as elements with which to collage, combined with printmaking (see column 3 “printmaking”) to make a creative response to an original artwork. Explore positive and negative shapes, line, colour and composition. <p><u>Making</u></p> <ul style="list-style-type: none"> • Understand that articulated drawings can be animated. • Cut out drawings and make simple articulations to make drawings which can be animated. Combine with digital media to make animations. <p><u>Purpose/Visual Literacy/Articulation</u></p> <ul style="list-style-type: none"> • To understand that visual artists look to other artforms for inspiration. Look at the work of an artist who uses gestural marks which convey movement, illustrators and makers who take inspiration from literature, painters who also use textiles and artists who animate their work. • Understand artists often collaborate on projects, bringing different skills together. • Deconstruct and discuss an original artwork, using the sketchbooks to make visual notes to nurture pupils own creative response to the work. • Understand we may all have different responses in terms of our thoughts and the things we make. That we may share similarities. Understand all responses are valid. • Reflect upon the artists’ work, and share your response verbally (“I liked... I didn’t understand... it reminded me of...”). • Present your own artwork (journey and any final outcome), reflect and share verbally (“I enjoyed... This went well... I would have liked... next time I might...). Talk about intention. • Work collaboratively to present outcomes to others where appropriate. Present as a team. • Share responses to classmates work, appreciating similarities and differences. Listen to feedback about your own work and respond. • Document work using still image (photography) or by making a drawing of the work. If using photography consider lighting and focus. Some children may make films thinking about viewpoint, lighting & perspective.

Year 3 Art Vocabulary

Aspirational Outcomes...

- All children have the opportunity to develop a love and appreciation of art.
- All children explore their ideas and record their experiences when producing creative work.
- All children are provided with opportunities to develop confidence in order to be creative when using a wide range of materials.
- All children have the opportunity to acquire proficiency in drawing, painting, sculpture and other art, craft and design techniques.
- All children can evaluate and analyse creative works using the language of art, craft and design.
- All children know about great artists, craft makers and designers, and understand the historical and cultural developments of their art forms.
- All children take pride in and have a sense of personal ownership over their sketch book and artistic journey.
