

# "Design an Artistic Poster that Brings Our School's Vision to Life!"

We're excited to announce an art activity that gives you the chance to express what our school's vision means to you. Our vision is the heart of our school, and we'd love to see your unique interpretation of it!

## Instructions:

- *Understand the Vision: Spend some time thinking about our school's vision. What does it mean to you? How does it make you feel?*
- *Choose Your Medium: You can create an illustration, a poster, a collage, or any other form of art that you're comfortable with.*
- *Get Creative: Use colours, symbols, characters, or scenes that represent our vision to you. Remember, there's no right or wrong way to express it!*
- *Ask for Help: While we want the artwork to be your original creation, we encourage you to discuss ideas with your family members. They might offer a different perspective or help with materials and techniques.*
- *Submit Your Work: Once you're done, make sure to submit your artwork to Mr Walker by Friday 10<sup>th</sup> November.*
- *Have Fun: Most importantly, enjoy the process! This is your chance to shine and show everyone how you see our school's vision.*

Good luck, and we can't wait to see your masterpieces!

## Example Idea: "Our Vision Tree"

- *The Strong Tree Trunk: Imagine a big tree in the middle of your paper. The trunk is the strongest part of the tree. You can write "Our School's Heart" on the trunk. This shows how our school's special beliefs keep us strong and steady.*  
*Three Special Branches:*
- *Thinking Branch (Mind): On this branch, draw things like books, a bright light bulb, and children looking at a butterfly or star with big curious eyes.*
- *Feeling & Playing Branch (Body): Here, draw children playing happily, a heart, and maybe hands that look like they're giving a big, warm hug.*
- *Believing Branch (Spirit): For this one, you could draw a peaceful dove, a little church, children holding hands in a circle, and even a cloud with a rainbow peeking out!*
- *The Leaves: On all the branches, add leaves with words like "Kindness," "Sharing," "Friendship," and "Trust." These are like the little things we learn and feel at school every day.*
- *Roots Under the Ground: Trees have roots that go deep into the ground. Draw some roots and include "John 10:10" or other special words that remind us of our school's beliefs.*
- *Around Our Tree: Draw a globe and people of all ages and places, showing that our school is part of a big, friendly world.*
- *Shining Sun: At the top, draw a sun shining brightly. On its rays, write words like "Wisdom," "Help," "Hope," and "Love."*

Remember, this is just one idea, and you can add or change anything you like. It's all about what our school means to you! 🌳🧠🖋️
