Dear Parents/Carers

You may have seen in recent newsletters and Facebook posts that two of our school teams have qualified for the National Finals after their success in the recent regional competition. I am pleased to say that your child is in one of those teams.

The Black Cats and the Golden Eagles have qualified for the F1 in Schools UK National Finals 2022!!! We're extremely excited about this and now need to begin preparing for the event.

Preparation Details:

After school activity club sessions charged at £1 per session. This will take place each Thursday after school (3:15pm - 4:15pm)

- Thursday 10th November 2022
- Thursday 17th November 2022
- Thursday 24th November 2022
- Thursday 1st December 2022
- Thursday 8th December 2022
- Thursday 12th January 2023

Event Details:

The children involved will travel via mini bus along with myself and Mrs Thompson to take part in the National Finals. The cost of the bus will be heavily subsidised by school, however, we do request a £10 contribution from parents please. It is a whole day event and so it is likely that the bus will leave early and arrive home late but I will confirm these details with you nearer the time.

- F1 in Schools UK National Final
- Autosport International 2023
- Birmingham, National Exhibition Centre
- Saturday 14th January 2023

We are looking forward to supporting the children through this exciting project and wish to congratulate your child on achieving a place at the National Finals!!!

If your child is able to attend the competition, please confirm using the school money system as soon as possible as we need to register the children attending the national competition by the end of the week.

Yours sincerely,

Mr M Walker
