Google Classroom

Dear Parents/Carers

Following the success in the use of Google Classroom during lockdown, we have made the decision to continue use of the platform for home learning opportunities. This not only builds on what the children have experienced during the pandemic but also provides an opportunity for us to continue supporting pupils should a local lockdown occur or to support pupils who are self-isolating as a result of a positive test.

Once you have logged in to the website. Please insert the correct class code, which is detailed below. If you have any problems accessing the platform, please let us know.

Class Codes

Nursery:	Tapestry (Alternative Set Up)
Reception:	Tapestry (Alternative Set Up)
Year 1:	yfsxdpq
Year 2:	t7hyqll
Year 3:	zjas47e
Year 4:	thxjlfz
Year 5:	ddkutsj
Year 6:	qozjgqo

We understand that not every home has a scanner, laptop and printer and therefore children can access the google classroom via a phone on the Google Classroom app. This can be downloaded on iOS, android and other mobile operating systems for free.

Children may be assigned a variety of tasks on this platform. You do not need to complete all your work on a computer, work can be hand written on to paper and then submitted as a photo via the app or a file.

Yours sincerely,

Mr M Walker
