

Bringing good news – Jesus came to bring good news to the poor, to bring freedom, healing and justice in a needy world. Christians are called to continue Christ’s mission to the world.

Luke 4.16-20

This is the classroom that has been built through our fundraising.

The visit last year inspired hope to our Tanzanian friends. They really appreciated our gifts, prayers and thoughts. Since then, our Tanzanian link has been an important part of our school.

Fundraising such as enterprising activities, school events, child led initiatives, fundraising days and sporting achievements have ensured this project could happen.

The cement, sand, stone and paint were paid for through our fundraising money.

Canon Arthur from Tanzania has sent a message of thanks to all within the school community who generously donated towards this project. The community have worked so hard knowing that we were working with them shoulder to shoulder.

The Headteacher of Mshikamano has sent us some cloth to say thank you which is on our display.

We are looking forward to transforming the lives of our Tanzanian friends on further projects as we continue 'working with and learning from.'

Bega Kwa Bega – Shoulder to Shoulder.
