### Parent Conferences

Dear Parents/Carers

Thank you for your parents evening bookings. To ensure the smooth running of appointments, I would ask that you adhere to your allocated time, so that everyone has the opportunity to discuss the progress of their child/ren. Meetings will be **strictly limited to 10 minutes** and will follow this set agenda only:

- ***Information about how your child has settled into school.***
- ***Information regarding your child's learning and current attainment in school.***
- ***Information regarding your child's wellbeing and attitudes to learning.***

If you have anything in addition to this that you would like to discuss with your child's teacher, this should be communicated to us in the usual way at a time that is separate to the Parent Conferences.

If you are accessing your meeting virtually, please click the appropriate teachers Zoom link where you will be allocated into the waiting room. Once ready, the teacher will then admit you to the session at the appropriate time. Please ensure your screen name will be familiar to the teacher so that they can grant access to the correct parent/carer. If for any reason there are technical difficulties, teachers will phone as an alternative.

Please find below the Zoom links for the meetings:
