

What do the Parents at Ackworth Howard think about their school?

We think that:

- 👍 **Our children are safe at school.**
- 👍 **Our children are well looked after at school.**
- 👍 **Our children are happy at school.**
- 👍 **Our children are taught well at school.**
- 👍 **We would recommend this school.**
- 👍 **The school is well led and managed.**

We would like to:

- **Find out more about the governing body.**
- **Further improve the behaviour of all children and the way bullying is dealt with.**
- **Consider changes to the homework policy and procedures.**

‘We are going to work really hard to improve these things for you.

Thank you for your views.’ (Mr. Walker)

Questionnaire - Spring 2017

From 49 parental responses, 96% of parents said that they would recommend this school to another parent.

From 49 parental responses, 100% of parents said that their children were well looked after at this school and 100% said that their children felt safe at this school.

From 49 parental responses, 98% of parents said that the school was well led and that their children were taught well.
