

What do the Children at Ackworth Howard think about their school?

We think that:

- 👍 **Adults explain how to improve our work.**
- 👍 **The Headteacher and senior staff in my school do a good job.**
- 👍 **We learn a lot in lessons.**
- 👍 **Adults in our school care about me.**
- 👍 **We enjoy school.**
- 👍 **We feel safe when we are at school.**

We would like to:

- **Understand more about how well we are doing.**
- **Help us get ready for our next class.**
- **Improve the behaviour of all our children.**

‘We are going to work really hard to improve these things for you.

Thank you for your views.’ (Mr. Walker)
