

Maths:

Through the maths curriculum, the children will be covering all aspects of maths as we prepare for the KS1 SATs and will be looking at measurement including:

Time, capacity, volume and temperature.

KS1 SATs will take place throughout the month of May.

PE:

Games - Netball

Gymnastics – Spinning, turning, twisting

RE: Who is Muslim and what do they believe?

- Talk about some simple ideas about Muslim beliefs about God, making links with some of the 99 Names of Allah
- Re-tell the story about the life of the Prophet Muhammad
- Recognise some objects used by Muslims and suggest why they are important
- Identify some ways Muslims mark Ramadan and celebrate Eid-ul-Fitr and how this might make them feel

Music with Mrs Robinson

Philosophy for Children

Literacy:

Children will be developing their writing skills by using a range of sentence types.

We will be writing:

- Poetry and Creation stories based on The Rainbow Bird
- Recounts using The Diary of a Wombat.

Our author for this term is Anthony Browne.

There will be a clear focus on the development of basic skills including spelling, grammar and punctuation in preparation for SATs in May.

Class Two - April / May 2019

Mrs Albaya

This half term our topic will be Australia.

Is our world a place of wonder?

Computing: Computer Art

The children will have the opportunity to learn about reproducing the painting styles of great artists using computer programs. Each lesson will focus upon a different artist and their particular style and the children will use this as inspiration for mastering specific techniques within design-based software.

ART: Aboriginal Art

The children will develop their skills whilst learning about a range of different Aboriginal painting techniques and styles.

Homework:

- Daily reading practise
- Weekly spellings practising spelling patterns and personal lists.
- Sentence of the week (Monday)
- Maths Mats / Reading Comprehension (alternate Fridays)
- Regular tables (X 2, 5, 10) and number bond practise

Humanities topic:

This half term, the children will explore the geography of Australia, its famous features and culture. They will discover how Australia's states and territories piece together to make-up the vast continent and will be able to visualise and describe the many varied landscapes. The children will use maps and symbols to improve their mapping skills and find out where Australia's animals live and what they eat. We will go on to explore the culture and lifestyle of some typical Australian children and make comparisons between Australia and the United Kingdom.

PSHCE: This term we are looking at Relationships.

Science: The Environment

The children will be introduced to the ecological challenges that face the modern world.

They will undertake a range of activities that challenge them to engage with environmental issues and to understand the simple changes we can make to live more sustainable lives.
