

Maths:

We will be covering work in the Mastery Mathematics curriculum, including:

Multiplication and Division

Recall and use multiplication and division facts for the 2, 5 and 10 times tables, including recognising odd and even numbers.

Geometry: Properties of Shape

Identify and describe the properties of 2D and 3D shapes, including the number of sides and line symmetry in a vertical line.

Statistics (Cross curricular topic work)

Interpret and construct simple pictograms, tally charts, block diagrams and simple tables.

English:

Stories by the same author: Anthony Browne (Willy the Wimp & Gorilla)

Information Texts - Florence Nightingale

Letters from Scutari

Oliver's Vegetables

Instructions - How to create a healthy meal.

Grammar includes: Using past tense consistently; using subordination and co-ordination writing sentences with two main clauses or with subordinate clauses; using expanded noun phrases; using familiar and new punctuation correctly.

Spelling includes spelling contractions, ing, ed, er and est endings, wr and words ending in le .

Humanities topic:

This half term we will be learning about the lives of significant individuals in Britain's past by finding out about the medical pioneer Florence Nightingale and considering how health care has changed over the years. Dr McManus will visit to talk to us about how to keep fit and healthy and we will take part in a school based workshop on 25th January provided by Thackray Medical Museum. In geography, we will plot Florence Nightingale's journey from England to the Crimea.

PE:

Monday: Table Tennis

Thursday: Gymnastics – Parts High and Parts Low

Please ensure long hair is tied back.

Earrings should not be worn at school.

Class Two

Mrs Albaya

This term our topic will be 'Fighting Fit'. Our work will cover nutrition and exercise and we will find out about the life and influence of Florence Nightingale.

PSHCE: This term our theme is 'Going for Goals'.

?? Big Question ??

Should you give up your dreams if they are too big?

RE:

Symbols of Faith and Belonging – Why are they important?

Computing:

Turtle Logo

We will create, test and debug algorithms

Science:

This half term we will be exploring health and growth, looking at food groups and the effect of exercise on the body. We will be visited by Dr McManus who will talk to us about how to keep fit and healthy.

Music:

Musical Futures with Mrs Ryder.

Art:

Colour Chaos - We will explore the work of abstract artists and create pieces in a range of abstract styles.

DT: Dips and Dippers

Homework:

- Try to read at home each day.
- Practise your skills using Spellodrome and Mathletics.
- Common exception and high frequency words should be practised in their 'Pirate Spelling Books' on at least three separate occasions each week.
- Sentence of the week - Set on a Monday and returned by Friday.
- Maths Mats once a fortnight on a Friday.
- Reading comprehension alternate Fridays.
