

COMMUNICATION PROCEDURES

At Ackworth Howard we are committed to ensuring that the communications parents/carers have with the school are dealt with robustly and effectively. As such, we have reviewed our communications procedures and corresponding complaints procedures with the Governing Body. Our new procedures will allow your communications to be acted upon swiftly by the person most appropriate to deal with your communication in the first instance.

Please view these procedures in line with the Home School Agreement signed by parents/carers, the school's complaints policy and the parent code of conduct.

The school office can be contacted between 8:30am and 4pm on weekdays during term time. Outside of these hours, the school has a voicemail system in operation.
