Educating for 'life in all its fullness.'

Providing opportunities for growth in mind, body and spirit through inspirational and innovative education underpinned by a deeply Christian ethos. Those who learn and work here will develop confidence, embrace creativity and enhance their knowledge and skills so that they can experience 'life in all its fullness.' (John 10:10)

Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

Use of the grant

When making decisions on how to allocate the pupil premium funding, the context of the school is considered. This includes considering barriers to pupil achievement including internal and external barriers, school data and school development plan priorities. Evidence pertaining to the school context is used to inform any decisions in our strategic planning.

Evidence based research and resources such as the Education Endowment Fund teaching and learning toolkits and guidance documents are used to develop all aspects of practice within our strategic planning and this is also the case with our pupil premium planning.

Our pupil premium strategy has four key threads where actions are identified. These are:

- Focus on Quality of Teaching
- Focus on Social, Emotional & Behaviour
- Focus on Enrichment Beyond the Curriculum
- Focus on Families/Community

Some examples of how we have used the grant include, but are not limited to:

- Use of additional adults to facilitate learning and responsive interventions.
- Develop provision and standards in GPS which in turn further raises writing attainment.
- Further enhance provision for more able pupils.

Ackworth Howard Church of England (VC) Junior and Infant School

- Enable all children to have access to the curriculum and school activities through subsidies and funding.
- Provide opportunities for further outdoor learning opportunities.
- Provision for specialist music teaching.
- Provision of uniform for vulnerable children.
- Access to home learning ICT programmes.
- Reduce the cost of breakfast club for families.

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online.

Our pupil premium strategy is available on our school website.

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online.

Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 6.

Eligible pupils fall into the categories explained below.

- **Ever 6 free school meals:**

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

- **Looked after children:**

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

- **Post-looked after children:**

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

- **Ever 6 service children:**

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
