

What do the Children at Ackworth Howard think about their school?

We think that:

- 👍 **The school offers us extra activities that we enjoy.**
- 👍 **We are happy at this school.**
- 👍 **We learn a lot in lessons.**
- 👍 **Adults in our school care about us.**
- 👍 **The school helps us get ready for the next class.**
- 👍 **We feel safe when we are at school.**

We would like to:

- **Understand more about how well we are doing.**
- **Improve the behaviour of all our children.**

‘We are going to work really hard to improve these things for you.

Thank you for your views.’ (Mr. Walker)

Questionnaire – Autumn 2 2019

98% of children said that they enjoy the extra activities that we do in school.

95% of children said that they were happy at school, they felt safe, they learnt a lot in lessons, that adults care about them and that the school helps them get ready for the next class.
